

*Supporting the Valles Caldera National Preserve  
for present and future generations*

November 23, 2009

Dear Los Amigos Member:

Thank you for your past support of Los Amigos de Valles Caldera. We appreciate all of our loyal members—we know we wouldn't have gotten anywhere without you! We continue to be encouraged by the wide diversity of individuals and organizations who want to help the Preserve. We hope you agree with us and will renew your membership for 2009-10 today.

In addition to a subscription to our newsletter and our member events, your membership supports our restoration projects and offers you the opportunity to work on them. We will be meeting with the Board of Trustees in January to set the work schedule for next spring and summer. Our newsletter and our website will have calendars of these events. We currently have two projects to work on the San Antonio and one to work on Alamo Bog.

We believe we are beginning to have a positive impact on the Preserve, and we have people like you to thank for that. We look forward to seeing you at one of our member events or volunteer projects.

Sincerely,

Doug Fraser, Chair  
Los Amigos de Valles Caldera
